Combustion Turbine Operations Technical Forum (CTOTF™) Management Update

CTOTF announces changes to their management team.

Previous event planner for CTOTF, Tom Pasha, has announced his retirement. CTOTF has finalized an agreement with Meeting Planning for You, Inc., owned by Christine and Beth Doyle, to continue the success of the Combustion Turbine Operations Technical Forum.

Christine and Beth Doyle have extensive experience planning and executing events. They have gained considerable familiarity with CTOTF over the last three years and have been a constant force in pushing for success. They are passionate about planning and executing seamless events.

Chris Doyle CMP, Meeting Planner, chrisdoyle@ctotf.org

Christine Doyle, CMP has over twenty years of experience in the Meetings and Hospitality Industry and is a designated Certified Meeting Planner (CMP). Christine's experience includes managing logistics and all aspects of meetings & events ranging from 10 to 10,000 attendees. She currently focuses on face-to-face and virtual meetings, events and webinars and specializes in website maintenance, attendee, and virtual app platform management, as well as conference marketing and attendee communication.

CTOTF FOCUS: Overall Logistics, Roundtables and Meeting App

Beth Doyle, Meeting Planner, bethdoyle@ctotf.org

Beth Doyle has over fifteen years of experience in the Meetings and Hospitality Industry. Beth started her career working behind the scenes in meeting & event planning, handling registration, attendee management and communication. Her other areas of responsibilities include virtual meetings management, social media marketing, meeting app platforms management and sponsorships. Beth's professional skills, dedication and experience ensure she will achieve highly successful meetings and events. She is looking forward to helping CTOTF have successful meetings and make it the best experience possible for everyone involved.

CTOTF FOCUS: Sponsorships, Trade Show, Registration and Hotel Rooms

About (CTOTF™): The (CTOTF™) is a membership organization of combustion turbine owner/operators ("Users"). The organization's user-defined mission continues to be the premier forum for the exchange of information and experience related to the design, operations and maintenance of combustion turbine and combined cycle power plants, and to provide a collective voice for its members to express issues and concerns to the combustion turbine industry. For more information about CTOTF please visit our website at <https://ctotf.org/>.
